

"What About Us?" - Pink

ladadadada ladadadada dadada
(ahhhhhhhh)

We are searchlights, we can see in the dark
We are **rockets**, pointed up at the stars (oooo)
We are billions (ooo) of beautiful hearts (ahhh)
And you **sold us** down the river too far (far)

What about us?
What about all the times you said you had the answers?
What about us?
What about all the broken happy ever afters?
What about us? (what about)
What about all the plans that **ended in disaster?**
What about love? (what about?) **What about trust?**
What about us?

We are problems that want to be solved
We are **children** that need to be loved (we need love)
We were (ooo) willing, we came when you called (ahhh)
But many **fooled us, enough is enough ahhh**

What about us?
What about all the times you said you had the answers?
What about us?
What about all the broken happy ever afters?
What about us? (what about)
What about all the plans that **ended in disaster?**
What about love? (what about) **What about trust?**
What about us?

Sticks and stones they may break these bones (they may break but then)
But then **I'll be ready, are you ready?**
It's the start of us, waking up, come on (waking up, come on)
Are you ready? I'll be ready
I don't want control, I want to let go
Are you ready? I'll be ready
Cause now it's time to let them know

What about....us?
What about all the times you said you had the answers?(all the time you said you had the answers?)
What about us?
What about all the broken happy ever afters?
What about us?
What about all the plans that ended in disaster?

(What about what about aahhhh)
(what about what about what about ahhh)
(what about what about ended in disaster ahhhh)

What about love? (what about?) **What about trust?**
What about us?
(Oooooo)
What about love? (what about?) **What about trust?**
What about us?
What about love? (what about?) **What about trust?**
What about us?
